B. Regional Nasirat Handicraft Activity, Saturday, September 3, 2016

Handicraft Activity: During a 2-Day event of Regional Sports and Tarbiyyat Camp, a few hours were given to teach Nasirat how to choose colors and designs to prepare bridal dresses. In this activity Nasirat prepared doll size modest bridal dresses from different cultures.

The idea was to show that a Muslim can wear any modest dress, it is not culture specific and we should not judge a bride or wedding dress by keeping in mind only Indo-Pak style of party clothes.

Nasirat from 6 Majalis with the help of Lajna members prepared these dresses during this activity, which was related to the next day's Tarbiyyat session "Islamic Marriage Ceremonies".

C. A Regional Meena Bazar was held in Dallas under Humanity First.

Lajna Members from South Region Majalis helped organizing it and participated in fundraising.
