

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

National IT/Website Dept.
Lajna Ima'illah - USA

<http://www.lajnausa.net>

Asslam-o Alaykum wa Rahmatullah

First and foremost, my thanks to Allah Ta'ala for providing us with this blessed occasion for learning from each other.

I am particularly happy to say welcome to you all because this is my 'home-base'.

I wish to offer my sincere thanks to Respected Sadr Sahiba, for her trust and guidance.

Last but not the least, I want to thank all the sisters for their continued cooperation in fulfilling my responsibilities, their prayers for me and for the success of our IT / Website department.

Progress Since October, 2009

- The e-mail interface has been successfully switched to Google Apps.
- Nat'l. Communication distribution through Lajna E-List system is set.
- By the grace of Allah, and with the prayers of Hadhrat Khalifaul Masih^{aba} the new Lajna website is up at <http://www.lajnausa.net>

E-Mail Issues – Yahoo Accounts

Lajna Yahoo Accounts will be obsolete soon. The date will be announced after Sadr Sahiba's approval.

From now on emails will not be copied to the Lajna Yahoo accounts and you should not forward or copy those accounts in your emails either.

We are looking into several ways that the important data will be retrieved and saved permanently.

If any email is received from the Lajna yahoo account, please respond by directing the sender to write to you from their LajnaUSA.net account.

E-Mail Issues - Signatures

- Many account holders have indicated a problem with the e-mail signatures:
 - When replying, the preset signatures do not show-up at the right place. [above the quoted message]
- The way to adjust this is to do “Signature Tweaks”

Setting E-Mail Signatures

1. Log into your e-mail.
2. Click this 'Settings' option

The screenshot shows an email client interface. At the top right, the user's email address is `webpost@lajnausa.net`. Next to it are links for [Settings](#), [Help](#), and [Sign out](#). A red arrow points to the [Settings](#) link. Below the header, there is a search bar and buttons for 'Search Mail' and 'Search the Web'. The main content area displays a list of emails. The left sidebar shows navigation options like 'Compose Mail', 'Inbox (8)', 'Starred', 'Sent Mail', 'Drafts', 'Banners&Pic (10)', 'Done', 'Follow up', 'KCC', 'Misc', 'Priority', 'Ready to post (1)', 'Reviewed (1)', '3 more', 'Contacts', and 'Tasks'.

E-Mail Issues - Threads

● What are conversation threads?

- A conversation thread is the chain of e-mails that have been part of the same subject. Google places the entire conversation chain in one place.
- The chain cannot be separated until the subject line of the email is changed.
- There is no benefit in separating an email out of the conversation group. Problems occur when people use an older email as a reply-to source but start a new subject without changing the subject-line.

E-mail Issues – Multiple Office Holders

- Many sisters in smaller Majalis hold multiple offices; therefore having multiple e-mail accounts.
- To address this issue for those sisters who have 3 or more offices, we will open the option to forward all e-mail accounts to the one account that is most utilized.

E-mail Issues – Multiple Office Holders

- To do this we would like to:
 - Have all the local sadrs send an e-mail of the names of the local amla members that have multiple offices/accounts
 - Upon receipt of the members' names, a conference call will be scheduled to help enable the transfer and for further instructions

Dissemination of Information

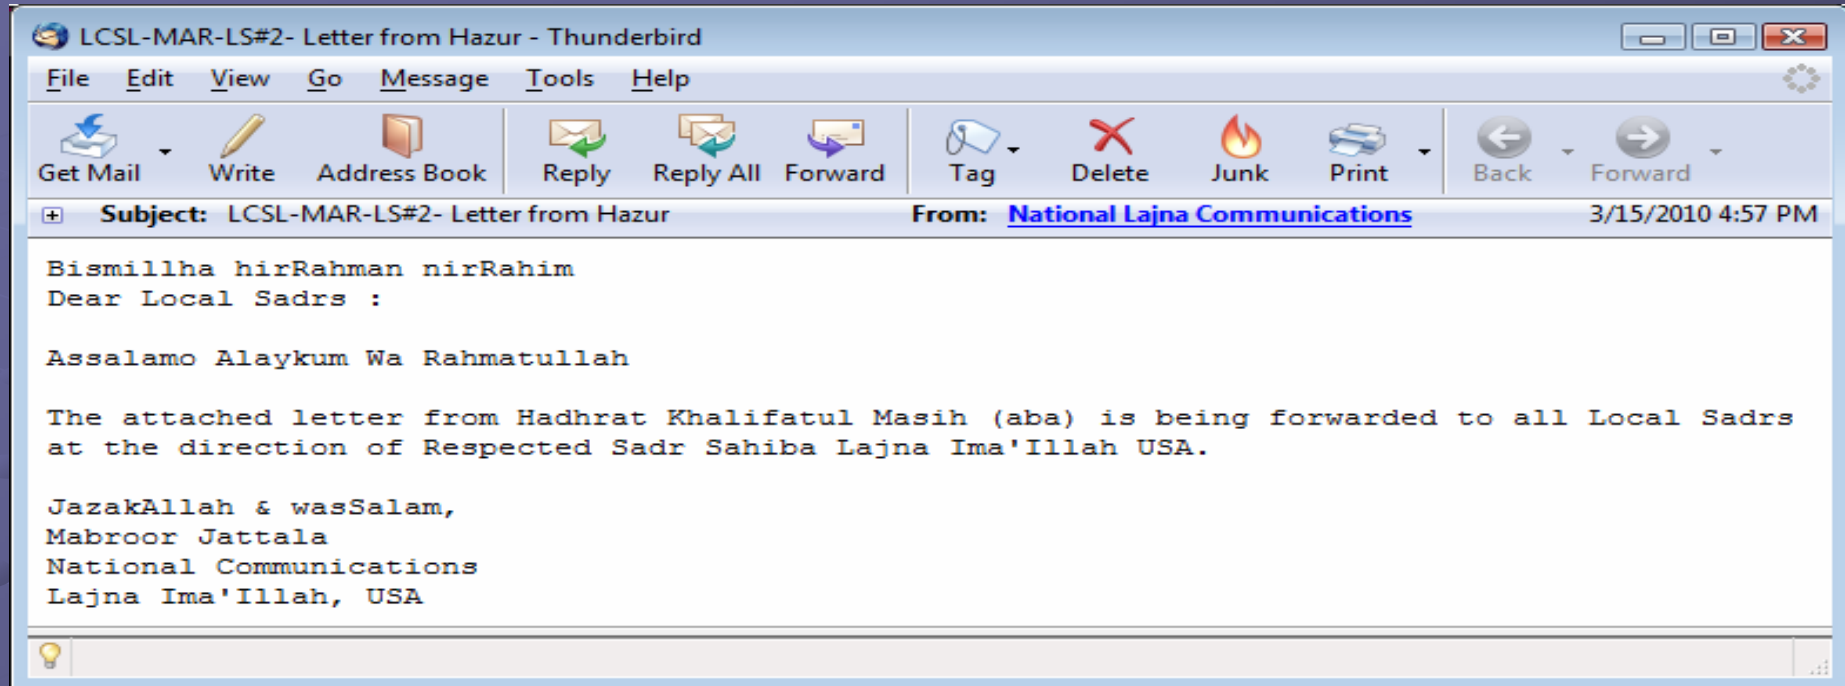

Lajna e-lists system

- Emails sent from National Lajna Communication account are sent on behalf of Respected Sadr Sahiba and National Amila members, and; are intended for Regional Sadrs, Local Sadrs, Local Amila members, general membership or any combination thereof.
- The emails are always tagged with a cover-statement that authorizes the delivery to the final recipients. For example:
 - 'with the permission of Sadr Sahiba'
 - 'at the direction of Sadr Sahiba'
 - 'on behalf of Sadr Sahiba'

WHEN FORWARDING SUCH EMAILS, PLEASE DO NOT REMOVE ANY PART OF THE MESSAGE.

Dissemination of Information Lajna e-lists system

Some officeholders will replace such cover-message with their own. Some would only say, 'Please see attached' and add their own short name and forward it. Some even change the subject line.

Although, it is OK to add your own statement when forwarding the emails– BUT without replacing the original cover-statement.

Response Guideline

With respect to emails from the communication account:

When responding with a query, please direct your questions to the office responsible for initiating the communication in the first place.

For example, you have received some Media Watch information through Lajna Communications Account, and you have a question; Send your question to mediawatch@lajnausa.net

This is usually explained in each email.

Some Problems Noted - 1

- Please do not send emails without your name and/or majlis. Such communications are not responded to per Lajna, as well as, Jama'at policy.
- When writing an email, provide your name, office, and majlis.
- This is also true for anyone using contact form at lajna website.
- If you need help with your password, please write through your Sadr. We can not help anyone via the private email addresses.
- Please pass on this information to everyone back home

Some Problems Noted - 2

It is observed that from time to times, Regional Sadrs, Local Sadrs and other secretaries, do not acknowledge the receipt of information; even when a confirmation is explicitly requested.

Unfortunately, this problem is not only in communication from the National offices, but also amongst one another and general membership.

Everyone is requested to acknowledge the receipt of the email communicated from the National Offices.
