Survey Design

- Project goals were established at *Shura*- 2009 and was initiated soon after the *Shura* (Oct-Nov2009)
- An initial survey aimed at *Shura* Members only was distributed through Survey Monkey from Nov 2009-Feb 2010
- A total of 85 responses were collected and the data was used for the first stage of the Project (Certifications)
- Urdu and English Questionnaire for National level survey were designed (Feb-March 2010)

Work In Progress

- The survey will collect responses directly from *Lajna* members through a questionnaire
- In English as well Urdu to maximize participation
- Responses will be collected
 - Through *Survey Monkey* Website
 - Through *Lajna* general meetings/mail/on phone for those members who cannot utilize the online facility
- All data will be collected, analyzed and recorded using a database tool.
- Provide Information Support to Holy Quran Project.
