THE HOLY QURAN COMMITTEE

The Project

- This project was started on Huzur ABTA's directive that Ahmadi Children are seeking teachers for reading the Holy Qur'an outside the Jama'at so we should prepare our own teachers.
- This was one of the Shura proposal. Discussed by the Taleem Committee.
- The committee members were highly charged with the spirit of volunteering for this cause. Each and every member dedicated herself to teach the Holy Qur'an.

- Sadr Lajna USA appointed a committee to undertake this responsibility.

- We had 10 certified Lajna and 30 willing to teach and had a training however needed to be certified.

Progress

- Naib Sadr Sahiba established an ongoing communication with Qari Sahib in Qadian.
- She held conference calls with Qari Sahib and 5 Lajnats were tested with him in each mting.
- Only one Lajna is on the call at one time to keep confidentiality. We have 7 certified teachers ready to go.
- Others are waiting for further training from Qari Sahib.

Next step

- Four more Qaris will be needed to teach Lajna members.
- Once Lajna members are certified they will start teaching for Lajna, Nasirat and Atfal.
- We are in the process of recruiting 7 young Lajnats who are computer savvy to help coordinate the phone conferences.
- The 7 Lajna Teachers will start teaching in different Regions soon InshaAllah.
